????????????? enemii Harness lines fix 22"/24"/26"/28"/30

Description:

High-quality harness in length 22"/24"/26"/28"/30" with anti stretch rope and transparent PE tube cover.

The clear PE tube cover protects the inner-lying piece of rope from rapid wear. With the Velcro closure, the harness lines can be quickly and easily mounted to the boom.

Recommended for wave and freestyle.

- Anti stretch rope with tough PE tube cover
- Fast and easy installation thanks to Velcro fastening (booms needs to be opened for installation!)
- Fixed lengths of **22 / 24 / 26 / 28 / 30**inch
- **24 month** warranty !
